Dear Sir:

In connection with the above-identified application, upon review of the Filing Receipt, a copy of which is enclosed, it was found that there is an error. In particular, one of the Priority Data is incorrect. Instead of "Japan 2003-32305 02/09/2004", the correct Priority Data is --Japan 2004-32305 02/09/2004--. Also, enclosed for your reference are a copy of the Declaration and Power of Attorney and a supplemental application data sheet which show the correct priority data of this Japanese application.

It is therefore respectfully requested that the Patent Office correct its records and issue a Corrected Filing Receipt which reflects the above information.

Respectfully submitted,

KODA & ANDROLIA
